Product Description

STIHL FC 111 Gasoline Edger

Professional straight-shaft edger powered by a large displacement, low exhaust emission engine.

Bring your A-game to any landscaping job with the STIHL FC 111 edger. With its large 24 oz fuel tank and low exhaust emission engine, this professional edger delivers 30% longer run times than the previous model. It features a vertical pleated paper air filter with larger surface area for better filtration, extended service intervals, and increased product life. In addition, get to the job faster with the easy three-step starting procedure. With its semi-automatic choke lever and one-touch stop, this edger is ideal for the demanding professional landscaper's edging tasks. Walking the line has never been easier.
