Product Description

STIHL MSA 160 C-B Battery Powered Chainsaw (Unit Only) - 12"

From firewood cutting to storm cleanup, the MSA 160 C-B offers durable, dependable performance powered by lithium-ion battery technology with zero exhaust emissions.

The MSA 160 C-B battery-powered chainsaw features lithium-ion technology for maximum power and zero exhaust emissions. This lightweight, durable weather-resistant chainsaw provides optimal function firewood cutting, storm cleanup, and carpentry work. It comes equipped with the new Light 01 guide bar and ¼" PM3 chain for increased cutting performance over the previous model, as well as a translucent oil tank which makes it easy for users to check oil levels at a glance. The easy start trigger and Quick Chain Adjuster help get the job done with ease and efficiency. Enjoy run times up to 62 minutes when paired with the AP 300 S battery.

Run time may vary based on battery type, charge level and capacity, model, operating style and conditions. Batteries and chargers can be purchased separately or as a combined set with tool.

This tool is IPX4-rated weather-resistant construction and has been designed and tested for splash water protection.
