Product Description

STIHL MSA 80 C-B Battery Powered Chainsaw - 14"

As the first battery chainsaw in the AK System to feature a 14" bar, the MSA 80 C-B is a lightweight tool with a long-lasting, powerful performance.

The MSA 80 C-B is the first battery chainsaw in the AK System to feature a 14" bar for heavy-duty work. Featuring the ¼" PM3 chain for smooth cutting and a compact, brushless motor for virtually no maintenance, the MSA 80 C-B provides powerful performance for general yard maintenance and firewood cutting. Delivering 1.20 kW of power while weighing only 10.1 lbs., the MSA 80 C-B has one of the best power-to-weight ratios in the industry. Complete with quick chain adjuster for easy, toolless chain tensioning and a transparent oil tank for quick oil monitoring, this chainsaw offers convenience, comfort, and performance, making it the ideal solution for homeowners.
